## WEBSITE PORTFOLIO

**peakchalk.com** - I built an e-commerce website selling sustainable high purity climbing chalk across the UK, alongside running their blog, social media and developing the websites SEO.

**thesecretvault.co.uk** - This website was designed and built for a London-based dance company to handle bookings and payments for public and private classes.

**blue-skyinventories.co.uk** - A London-based real estate business handling check-in and out inventory reports, as well as other inspection services.

## VOLUNTEERING

*Finca El Arbol (2022)* - spent a month working on this coffee plantation in Nicaragua, learning how to harvest and grow ethical coffee.

*Pipa Evoo (2020)* - lived with a local family and assisted them for the autumn olive picking season on Brac island in Croatia.

*Pulau Bidan Permaculture Project (2020)* - 6-week experience learning sustainable agriculture practices on an unpopulated island in Malaysia.

*Raleigh International (2018)* - worked as a Project Manager on a 13-week expedition based in Malaysian Borneo.
